

DN SERIES

Models: 235/240DN | 355/360DN

Detachable Neck, Ground Bearing

Choice DN Series trailers are well equipped as standard with many features you would expect to find on a higher-priced, more expensive brand. All-beam main frame construction, removable outriggers, radial tires, and LED lights are just a few of the standard features on a Choice Trailer. Quality materials and components, combined with advanced design and fabrication techniques, all at a price your budget can handle. With operating costs on the rise, choosing to invest your money wisely is a must... **Your Choice is Now Clear.**
